Ventura's Offshore Café
2015 Shore Rd
Northfield, New Jersey 08225

Dear Lou Ventura,

I wanted to take this opportunity to thank you for your donation of a gift certificate to your restaurant! As a way of saying thank you we placed an ad for you in our Chefs R Baking program book, a copy of which is enclosed! Peer Partners project Kids Feeding Kids works to inspire and organize others to participate in productive ways to help end childhood hunger. The focus is not only on the needs of the hungry youth of today but also on how to progressively move toward an end to hunger in the future of America.

The money raised at our Chefs R Baking event will provide thousands of nutritious meals to children who might have otherwise gone unfed. There is no better feeling than to know that a hunger free generation in America is becoming a reality thanks to the many caring people, establishments and merchants that came together to make our Chefs R Baking event a success!

Thank you again, and we look forward to your continued support.

Sincerely,

Daniel Ryan Feldman

Founder 'Kids Feeding Kids'
