Dear Lou:

Thank you so much for your generous support of the 2010 Guts & Glory Race in Ocean City, NJ. The event was held on August 14th in beautiful Ocean City and we are happy to report that we had close to 1,300 participants at this year's event. To date we've raised over \$160,000.00 and still counting! As a sponsor, your generosity directly leads to needed research for improving the life of those who suffer from Crohn's disease and ulcerative colitis.

My family is grateful for your continued support of this event and your commitment to finding a cure for inflammatory bowel disease. As most of you know one of my four boys has battled Crohn's disease from the age of five. While there are certainly ups and downs, I am personally excited and greatly encouraged by the progress being made towards the cause and eventually the cure of this chronic disease. Together we are making a difference!

If you were a sponsor of \$ 250.00 or more and did not attend the event a t-shirt is enclosed.

Please call me at 645-7333 (w) or 653-8671 (h) with any questions you may have. Thank you again for your generous support. I hope to have your support again in 2011.

Many thanks!!!

Bob Edmunds & Family
