Dear Mr. Ventura,

Thank you so much for your generous donation of much needed supplies for our military troops currently deployed. Mainland Regional High School is the proud sponsor of **MRHS/Support Our Troops** project. We continuously ship much needed supplies to the Army, Navy, Air Force and Marine Corp currently deployed in Afghanistan, however, many are due to deploy in the coming months to Iraq as well. We have more than 10 APO/FPO addresses on our mailing list and the need grows almost daily; one Brigade comes home and another deploys. As you know we only need one address to supply hundreds of men and women with the basic necessities. It is because of supporters such as yourself that our project continues. Mainland Regional High School is proudly a permanent troop supply drop-off site. To date we have wrapped, packed and shipped more than 3,000 pounds of supplies to both war zones

Please know that each and every package that we send is carefully wrapped and packed with tender loving care. As the war in Afghanistan escalates the need for supplies grows exponentially.

Thank you again for your support and donation.

Sincerely,

Jo Carney

Blue Star Mother

Special Education Teacher

Project Coordinator, **MRHS/Support Our Troops**
